Dear Raj

Request for Voluntary Suspension

Hannans Ltd (Hannans) refers to the trading halt request submitted to ASX on 27 September 2021.

We now request a voluntary suspension of trading of Hannans ordinary shares from prior to the commencement of trading on Wednesday, 29 September 2021.

In accordance with Listing Rule 17.2, Hannans provides the following information:

1. the voluntary suspension will provide additional time to finalise discussions with ASX pertaining to the exclusive due diligence on a license to recover nickel, cobalt and lithium from lithium-ion batteries in the United Kingdom and Ireland;
2. the voluntary suspension should remain in place until the earlier of Hannans releasing an announcement in relation to the due diligence or 6 October 2021; and
3. Hannans is not aware of any reason why its ordinary shares should not be suspended, nor is it aware of any other information necessary to inform the market about the voluntary suspension.

This ASX announcement has been authorised for release by the Board of Directors.

Best regards,

Damian Hicks
Executive Director
